

## Multilingual positions (m/f) – Portugal

Since 1946, Kelly Services has pioneered workforce solutions in the staffing industry, connecting skilled workers with top businesses in a broad range of industries, including Fortune 100 companies. With thousands of established client relationships worldwide, Kelly Services annually provides nearly half a million workers with employment opportunities.

Kelly Services specializes in placing workers in diverse industries, such as industry, administrative, shared services, customer care and much more.

Committed to providing the “world’s best workforce solutions,” Kelly Services adheres to a set of values in everything it does, offering a comprehensive array of outsourcing and consulting services as well as world-class staffing on a temporary, temporary-to-hire and direct-hire basis, flexible work arrangements, part-time, and remote, work-from-home opportunities.

At this very moment, Kelly Services Portugal is looking for talents from different professional backgrounds and linguistic skills for a diversity of projects involving Portuguese and International clients.
